

IBM Cloud Services

Project Name: Smart Farmer- IoT Enabled Smart Farming Application
Date: 05 November 2022 Team ID: PNT2022TMID50828

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Kumaran GP's Account). Below this, the main dashboard area features a 'For you' section with several service tiles. The first tile, 'Build', is highlighted in blue and purple. Other tiles include 'Explore IBM Cloud Shell', 'Welcome to IBM Cloud', 'Set up your IBM Cloud account', 'Build a web app with Watson Speech to Text', and 'Use Sp'. Each tile provides a brief description and a 'Getting started' button with an estimated time. The bottom section of the dashboard includes 'User access', 'News' (with a 'View all' link), and 'Planned maintenance' (also with a 'View all' link). The Windows taskbar at the bottom shows the system clock as 7:44 PM on 11/5/2022, along with battery and network status.
